

Report on Short Term Course on Computer Applications (First Day)

Aligarh Muslim University Murshidabad Centre

15th February, 2016 (Monday)

‘Short Term Course on Computer Applications’ was inaugurated today by Dr. Abhijit Mukherjee, Member of Parliament, Jangipur at Aligarh Muslim University Murshidabad Centre. Dr. Mukherjee presiding over the inaugural functions as Chief Guest stated that Aligarh Muslim University is very close to his heart, especially the Murshidabad Centre. He reiterated his stance of providing constant support towards the developmental activities of the Centre.

The course is being organized under the aegis of the Centre of Academic Leadership and Education Management (CALEM) established at UGC Human Resource Development Centre, Aligarh Muslim University, Aligarh. A total of 46 participants are attending this course from different universities and colleges of West Bengal. As per the traditions of Aligarh Muslim University, the inaugural function started with the recitation of a few verses of Holy Quran by Ms. Shahida Alam, a student of BALLB VIth semester.

Dr. Badaruddoza, Director AMU Murshidabad Centre welcomed the Chief Guest, Dr. Mukherjee; resource person for the course, Mr. Syed Usman Ahmed and all the participants to the campus. He introduced Dr. Mukherjee as not only a very popular mass leader in West Bengal but also as an experienced corporate executive having worked with PSUs like BHEL, MUL, SAIL. He acknowledged the efforts of the law maker in facilitating release of grants from UGC. Dr. Badaruddoza further said that “AMU Murshidabad Centre is a secular institution with equal opportunities for all the sections of society to be a part of it.”

Dr. Mukherjee also released the Placement Brochure of MBA 2015-16 batch in the function. The brochure is prepared by the students of MBA under the guidance of Dr. Rashid Usman Ansari, Training and Placement, Advisor of the Centre. The Chief Guest, Dr. Mukherjee advised that the Centre should maintain an updated alumni record and asked the student community to contact him for industry referrals.

Dr. Syed Atif Jilani, Assistant Professor conducted the program and presented the introduction of the resource person – Mr. Ahmed. Mr. Ahmed is M. Tech in Computer Engineering and is working with AMU Computer Centre as a Technical Consultant. Mr. Ahmed engaged two technical sessions during the day in which he explained the usage of Internet & E-mail for teaching and learning. He also gave practical insights of the various applications of Google Apps for Education to the participants. A photo session was held towards the conclusion of the session with the dignitaries and all the participants.

Dr. Badaruddoza

Director, AMU Murshidabad
